

Wausau Deanery Faith Formation Admission Policy

The Faith Formation programs, provided by the parishes in the Wausau Deanery, work collaboratively to assist parents in the faith formation of their children, to supplement and reinforce what is learned at home. Our goal is to provide children with an understanding and appreciation of the Church's teachings and practices, and to build a framework for applying that faith to their own lives. Parents lay the foundation for this work by the examples they set in everyday life, through their growing faith, and through the active participation in the faith development of their children.

To assure that the children, in our Faith Formation programs, are meeting the necessary requirements for receiving the Sacraments, each parish must keep records of all their members. Therefore it is our policy, that families be registered members of the parish their children are attending Faith Formation.

If, for some reason, there is a need for your child to attend another parish program, approval must be granted by the priest and/or Director (or Coordinator) of Faith Formation, of your parish, and the parish you wish your child to attend formation. Sacramental preparation and the celebration of the sacraments must be completed at the parish of membership.

Please fill out the following information and have approved by the priest and/or Director (or Coordinator) of Faith Formation, for your parish. Your parish of membership will keep a copy of this form, and a copy of this form (along with the required registration materials), must be presented to the parish your child will be attending.
